At the tip of Mishaum Point, overlooking the glistening waters of Buzzards Bay, architect Robert A.M. Stern created the masterpiece known as "Seapoint."™ This landmark stretches into Buzzards Bay on 10 acres at the tip of a peninsula with over 1,500 feet of water frontage, incredible 270-degree ocean views, a spacious guesthouse, inground infinity pool and substantial deep-water dock. Seapoint was created with extraordinary attention to detail both aesthetically and functionally. Details include a stone-and-driftwood fireplace, bulls-eye glass windows and intricate inter-locking rope motif on hand finished flooring. The second floor houses the master bedroom and three additional en suite rooms with breathtaking views of the ocean, private office and laundry room. Casual entertainment space spans the entire lower level, including a state-of-the-art wine cellar, commercially operated bowling lanes, billiards room, an exercise room, and bar area. Truly the epitome of Stern's™ work!
